

STOURPORT OPEN COMPETITION – 8th AUGUST 04

THE NEW BOYS EXCELL

Rob H and Mark D showed the old uns how to do it at the Stourport open shoot. They joined Pete, Dave and Jim, making it the best-attended shoot by DRPC members for quite some time.

Rob Won B class in the 1500 .22 event even though he moaned and groaned all the way through complaining of jams and malfunctions! Then using a borrowed rifle won C class in full bore.

Mark shot in A class scoring a cracking 1451 in the 1500 .22 event, only to be piped into second place on X count !!!!

It was a good job they had a successful day, because the rest from DRPC were rubbish. Dave Holt was out of contention after his first six shots went on the next target. Jim and Pete had no excuses both shooting well below average. Only a 4th in the LBR event brightened Jim's day.

The pairs comp. was interesting with Derby's two teams coming in last. Rob's glory was short lived after he managed to put six of his .22 shots onto his partner's full-bore target. Note – DIFFERENT STYLE TARGETS

Anyway, after a bottle of lager it all seemed a bit of a laugh and a very enjoyable day had been had by all.

Big Andy Lowe dwarfs Jim shooting revolver, Neil Jones, Dave, and Rob hidden behind Mark.

Pete and Dave being closely watched.
Nice range, good company what better way to spend a Sunday

Derby 1 versus Derby 2 in the Pairs Competition

Rob realises what he's done

Yes, those are your shots on my target

Their serious expression shows that they really came to win.
