# MORE SUCCESS FOR PAT

Sunday 2<sup>nd</sup> of September was the date for this years service rifle competition and 10 shooters turned out in the bright but blustery conditions to take part.

The format consisted of 10 shots in 5 minutes followed by 10 in 90 seconds and all were shot from the 100 metre firing point.

The scores this time were very high compared to last year and there was the usual crop of Lee Enfield's mixed in with a couple of P14s and a Schmitt Ruben on view, Even Dave's mythical P14 put in an appearance.

Steve F with his 7.5 x 55 Schmitt came in 3<sup>rd</sup> with a score of 176ex200.

Second place went to Paul H with 177ex200, an excellent score with a Mk5 jungle carbine.

This year's winner was Pat P with a superb 190ex200 shot with his Enfield

Thanks to all that attended and helped on the day.
