

DRPC v Llandudno & Colwyn Bay Marksmen

We have been trying to arrange this Friendly Invitation match for a couple of years, and at last it happened. LCBM have supported our Open 1500 since the outset always bringing a good crowd with them. We have also always enjoyed friendly banter and discussions with their Members whenever we meet at other competitions.

The Match was a full 1500, a T&P1 and a Multi-target all shot with .22's.

Probationary Members and newer Members were encouraged to try their hand at events new to them. Paul and Andy dived in the deep end entering the 1500, while Robert and Marianne tried the Shorts events. Others who had shown an interest had to leave before the Shorts had started. Too much chatter - next time we will have to get a move on.

Errol and Ian had their own little competition, trying to see who could put the most cross shots on the others target, Ian won!

It took four to sort out where the shots were

It was a light hearted event with little pressure but I'm sure everyone was trying their hardest.

Rob had the highest score in 1500 and T&P while Clive from LCBM won Multi-target.

It was very close at the end but we will give the Visitors full credit for crushing us.

Many thanks to Keith for arranging it all, and Dave who acted as CRO and did not shoot as did Pete who worked the timer. Thanks too, to others who helped as Range Crew – Pete R, Robert, Marianne and anyone else. It was a cold damp day but enjoyable and there is already talk of another one next year.

Plenty more photos on the website Gallery
