DRPC v LCBM Friendly Match

GALLERY

19th April saw Llandudno & Colwyn Bay Marksmen bring nine shooters to Derby; it was a pity we could not encourage our Club Members to take part. Even so it was a great day mainly due to the good atmosphere; we have always got on well with the Welsh club, and the excellent weather. After the matches the visitors were able to use our 50m facility to practice, but most were exhausted and were happy to sit in the sun and make it a very social event.

During the 1500 match Andy suffered from a bad case of jamming while using a club rifle but seemed to enjoy it, while Steve and Ian were very pleased to shoot personal best scores!

Clive F from LCBM achieved the highest score on the day with Jim and Rob H equal second.

DRPC won the 1500 and T&P1 events while LCBM thrashed us in the Multi-Target competition. The overall aggregate gave victory to DRPC.

Many thanks go to David V and Rob S for stepping in at very short notice and acting as range crew.

The results below are not that important (although it is nice to win for a change), the main thing is to encourage more shooters to take part and enjoy the shooting.

Dave tries to find all the shots on Andy's target

The Welsh seemed to enjoy themselves

Dave presents Clive with a tankard for being the highest scorer on the day
