**Paul crushes all opposition**

There was a good entry for the Military Rifle Match with seven Members and one guest shooting from the 200 point with a variety of military rifles using just their elbows and a sling for support.

The fig11 target proved too demanding for most as only two handed their shot targets in for scoring. Perhaps they thought it was not worthwhile after they had seen the standard Paul had set

The following also entered

- Rob B
- Pat P
- Richard P
- Nigel W
- Paul H
- Nigel M
- Chris P
- Charles D

**Paul H** scored 2 x 5, 3 x 4 and 2 x 3 for a total of 28 Ex 50 to win

**Charles D** scored 1 x 5, 1 x 4, 1 x 3, for a total of 12 Ex 50 for second place

Congratulations to Paul and Charles

**The Timed & Precision** events had been postponed from earlier in the year and although some regulars were missing there were some new faces competing. Also two quite new Probationary Members, Simon and Jason, did remarkably well in their first event.

There was strong competition in the **Centre-fire** event with Rob S shooting a personal best score and Tim equalling his PB – so everyone was trying.

Centre-fire T&P1	Score	X Ring
Jim S	300	19
Chris P	299	17
Dave H	298	21
Pat P	298	16
Rob S	298	14
Tim M	298	14
Paul H	295	9
C D	292	11
Jason L	264	8

**The Small-bore event** is always a bit of a lottery when using 10/22's and several shooters had Ruger moments and did not get all their rounds away. Even Jim made a schoolboy error by loosing count and after five rounds dropped his magazine and proved clear to see a round still the chamber, but he managed to return to the ready position in time to see the target face and get the shot away for a 10 – Flash Git!

**Small Bore T&P1**

Jim S	294	7
Andy Y	290	6
Dave H	284	14
Jason L	279	
Rob S	276	5
Nigel W	270	4
Tim M	266	4
Simon B	254	1

Being the highest scoring Probationary member, Jason won the "Most Improved Trophy" Well done.
