ANOTHER VICTORY FOR NIGEL

The competitors for the Military Rifle comp were Nigel, Rob B, Richard P, Paul H, Frank U and Steve F

Everyone gathered on the C range with great enthusiasm. The targets were put in position and the platform set out to take part. The usual banter took place with Paul wondering if he could replicate last year's win, despite having done no practicing. However, it quickly became apparent that the interest being shown far outweighed any knowledge of the actual course of fire. A quick trip to see Keith, the organiser being necessary. Eventually settling on:

- 2 rounds sighting
- 10 rounds deliberate
- 10 rounds rapid
- 10 rounds snap using fig 11 targets

There were two details.

Frank, who was unsure of the accuracy of his two sighters, Rob got all nostalgic and reloaded using stripper clips, Richard shot in his usual deliberate and meaningful manner whilst Paul was concerned that he had shot to the right.

Steve arrived after the first detail and asked if he could take part with his scoped rifle which proved to be a hindrance when trying to reload, and Nigel wanted to perform better than last year, and he did!

After all shots had been fired, the targets were recovered and provisionally scored before being given to Keith for the final decision. As it can be seen, it was very close at the top – Congratulations to Nigel for his second win of the season.

	2	3	4	5	Total
Nigel	1 = 2	12 = 36	4 = 16	3 = 15	69
Rob	6 = 12	13 = 39	2 = 8	1 = 5	64
Paul	8 = 16	11 = 33	2 = 8	1 = 5	62
Steve	5 = 10	7 = 21	2 = 8	0	39

T&P1 PRACTICE DAY

Meanwhile on B range there was loads of ammunition being consumed practicing for the forthcoming Action Weekend at Bisley. And a good job too! Because nearly everyone had some kind of cock up or disaster. But it is better to sort the problems before the event.
