Bowling Pin Shoot, Twyford, 23 Jan

YOU HAVE TO BE LUCKY SOMETIME

Keith, the organiser, summed it up when he said “I would rather to run a competition that does not rely on luck”

There was good fortune by the bucket load on this Sunday morning, Tim and Frank had times under for seconds when a pins went sideways and scuttled the lot down in the small-bore class.

Using his under-lever, Nigel put his hand up to a fluke when he had the quickest time by far.

Two banks of ten pins had been set up. The winner was the total time of both runs

It was noticed that everyone was trying their hardest and even without luck there was some pretty fast times. The old adage was true – if you need to reload, you’ve lost.

Just Bryan and Tim competed for the LBP class and it too was close.

A couple of probationary members ventured outside and enjoyed a good fun shoot. Jim loaned Jem his rifle telling him not to beat him – but of course he did.

Congratulations to Frank, Nigel and Tim
