The Fly Shoot, Twyford, 14th August 2011

## FIRST WIN OF THE YEAR FOR MARIANNE

The Fly Shoot was held on the 14 August, a date carefully selected by the Competition Officer to coincide with an open competition at Stourport so that as many competitive shooters as possible were away.

Twelve members tried to shoot at ten flies printed on an A4 sheet of paper. The targets were at 200 yards giving a very small target to hit as each of the ten flies was only about an inch across. All twelve hit a fly, some more successfully than others with the winner Marianne nailing six flies through the body for clear win. With Tim very close behind.

The targets received close scrutiny
