NEWS

This year's Mattersey Ten was slightly different as it was a fund raiser as the Club is purchasing the quarry they have been in for a long time. They advertised that there would be a reduced prize table but they managed to rustle up enough goodies to keep everyone happy.

Timed & Precision 1 SB

Several shot this together at the end of the day and some did better than others
 Jim won X class with 298 and Simon B did OK with 289 to come 2nd in B class.

Timed & Precision 1 CF

Everyone seemed to struggle as there were only two maximum scores all day! Jim came 3rd in X with a 299 one in front of Dave, and Rob could only manage a 293.

Simon B, getting his scorecard signed, did better and was placed second in B with 287.

Timed & Precision 1 LBP

293 placed Bob P second in A class.

Timed & Precision 1 LBR

Bob is in X class for this event and could only manage 4th.

Multi-Target SB

Again, all the scores were low and 111 gave Jim 3rd in X class. Rob was 3rd in A but ever-improving Simon won B class with 102.

Multi-Target CF

In X class 117 gave Jim another 3rd while Dave shot a dismal 112 to give Jim another pint. Rob won A class with a creditable 113.

Multi-Target LBP

Bob was warming up now and won B class comfortably with 111.

Multi-Target LBR

Another win for Bob, this time he won A class with 102.

1500 SB

Jim's 1465 placed him last in X class, while Dave was only three points behind and won A class. Rob was 2nd in B class.

1500 SB

Jim and Dave were in A class. Jim winning and Dave second.

1500 LBP

Both Bob and Simon struggled to get their shots off and were disappointed.

1500 LBR

Bit of a hollow victory for Bob as he was the only one to shoot in A class.

Summary

It was mixed fortunes for Team Derby but as always it is a good day out at Mattersey and a pleasure to help with their fund raising.
