

Man V man Report

The Man V Man competition was held on the 15 July on B Range with nineteen people shooting.

The weather stayed dry for a good morning's shooting. Even the new target system worked properly this time around although the weight of the plates meant that careful aiming towards the top of the plates was needed to guarantee and drop when hit.

A deserved win by Rob F who was shooting fast and furious.

Richard F and Alan B helped to assemble the jigsaw puzzle of the new framework and canopy early in the morning, many thanks from the Comp Officer as he couldn't have done it without them.

Keith M

Richard got to the second stage – then he met Rob

Finalists Rob and Tim
