The Fly Shoot 2012

The fly shoot is always well attended and this years was no exception with 19 club members trying their hand at hitting the Fly target. The weather was kind, lots of Sun, a bit of wind and just a very brief shower.

Each fly is 1/2 Minute of Angle in size for the legs and wings scoring one point, with 2 points for a body hit which is 1/4 MOA.

Jim and Tim took top honours and as they had the same number of body hits there's no way to separate their scores.

Rob F did well using a .22 rimfire and as customary in these competitions, Frank U almost beat Dave H's score when he borrowed Dave's rifle. The Comp Officer only fired one round; he stopped when he found he was shooting about 12 inches high. The zeroing was spot on at the Phoenix for Sporting Rifle, so why it should be so far off isn't known. However as his son got top score there's a suspicion of foul play with some turret twisting! And did Gavin really score the same with his Marlin as Pete and Bob did with their super-guns?

The next competitions are the McQueen on 9th September then Part 1 of the Club Championship on the 16 September, by which time the Comp Officer's rifle will be back on zero!

Name	Score
Jim S	8
Tim M	8
Nigel W	7
Dave H	7
Frank U	6
Jim D - S	5
Robert D	4
Bob G	4
Dan P	3
Richard P	3
Jason L	2
Marianne S	2
Sid S	2
Pete L	1
Bob P	1
Bryan H	1
Gavin H	1
Glenn F	1
Rob F	1

Keith gives up in disgust!!
