Llandudno and Colwyn Bay Marksmen v Derby Rifle & Pistol Club

Sunday 12th May saw the annual DRPV v LCBM competition.

This is a friendly shoot between the two Clubs normally held just before the Phoenix to give both clubs a practice run through, especially LCBM as they do not have a 50 yard range.

Friendly it may be but that doesn't mean the two teams don't go all out to win.

The scoring is a bit strange at first glance but the top scores from each team are taken depending on how many shoot. If DRPC have eight people shooting an event and LCBM have six we take their six scores and our top six scores. It seems to work!

This year's competition comprised of a 1500 and various T&P 1 shoots, with the DRPC T&P scores being for the Club T&P medals.

Tim M was the picture of misery at the end of his 1500 (he didn't know he'd got second place) only to have a complete change when he cleared the centrefire T&P to win.

Jim S was the individual winner for the 1500 winning another tankard to go with his collection, despite running up and down the range for his stapler.

Rob F pipped Jim by a point to take the Smallbore T&P medal and beat his Dad (again) although Steve was using a tube magazine Marlin .22 underlever.

This year was the tenth anniversary of the competition and to commemorate this LCBM presented a very nice engraved glass trophy to be presented to the winners each year. This year we get to keep it!
