Silhouette Shoot 24 November

Well; the Competition Officer had 30 targets printed off, he had 12 returned unused so 18 members shot the competition. However only 13 targets were handed in so we must have 5 who were so proud of their targets they're having them framed!

Despite some comments before the shoot that the chickens were a bit large for 25 yards we still didn't have anyone with a shot on each chicken so we'll have to make 'em bigger for next year!

Lots of laughter when the shooting was taking place so everyone seemed to enjoy it, even those who used a 357 instead of a .22. Next year the Comp Officer will have to be very precise in his comp instructions!

Well done Nigel for getting the highest score since the comp has been run.
