The Derby Open

29 & 30 June

Club Members who work as range crew at the Open have the opportunity to shoot their events the weekend before, overseen by independent witnesses. This also frees up space on the busy weekend for extra competitors. Some of the crew managed to drop into spaces on the day, but there was not much room as we were near to capacity.

Timed & Precision 1 SB

Sid shot well in A class and came 2nd with 292. Martin won B class with 284 and Gavin was third with a 265.

Timed & Precision 1 CF

Rob S equaled his PB to come 3rd in A class, Keith M was 8th with 296. In B class Bryan was placed 6th with 295

Timed & Precision 1 LBP

Tim F is in X class and the scores were high, 293 only got him 9th. Bryan shot 290 to come 3rd in A. Meanwhile Sid and James battled it out in B class. Sid winning the class with 270 and James close behind in 3rd 4 points adrift.

Timed & Precision 2 CF

Rob F was over the moon winning B class

Timed & Precision 2 LBP

First place for Tim M in A class with 573.

Multi-Target LBP

Tim F shot well and came 3rd in X class

Multi-Target SB

The club event the week before must have helped as the scores were improved.

In a Class Rob F 110 3rd, Sid 110 4th and Keith M 104 for 7th.

New boy Martin won B class with an excellent 104 and James was 3rd with 92.

1500 SB

Jim was annoyed with a jam in M4 that cost him 10 points and more but still managed an average 1467 (should have been a PB)

Rob F had problems too, like not shooting fast enough. Tim F was unclassified and shot so well he went straight into C class and won!

Gavin did well coming 3rd in D class beating both James and Sid.

1500 CF

Jim had poor 50m stages and finished well down X class. Bryan won D class with a steady 1427 just a few points of his PB

1500 LBP

Tim M came 2nd in A class While in B class Bryan won and Sid was 3rd.

1500 LBR

Bob P had a good shoot to win A class.

Summary

It is surprising that Club members did so well in the poor conditions they shot under the week before.

The real winners were the visitors to the Open who shot in near perfect conditions, were well fed and looked after by the hard working Range Crew.
