## MILITARY RIFLE COMPETITION

1<sup>st</sup> September

This year the event was contested over two distances. The course of fire was:

Any military rifle with iron sights. No scopes permitted.

Slings with two point attachment could be used, no bipods, rests or bags permitted.

### 100 yards

Prone:

2 sighters and 5 deliberate shots  
5 rounds in 20 seconds.

### 200 yards

Prone

2 sighters and 10 deliberate shots  
5 rounds in 30 seconds.

The start was delayed because Jim left the targets at home and had to dash back, and two shooters had left their bolts behind... too many senior moments!

Setting up at 200 for the second stage

Paul (second from left) put Nigel under pressure

Keeping with club tradition Martin beat Steve with Steve's rifle!
