MAN v MAN

18 August

Victory again for Rob

There was a good turn out with some new faces having a go with moderate success. Doing well in this event depends on reliability, as Nigel sadly found out with a jam at the beginning of both his runs.

Each round was best of three runs and many were extremely close with the stop plates going down together.

The tie between Rob B and Pat was very close

The random draw placed Rob against his dad.

Dave beat Jim to get into the final and Rob beat Pat.

Congratulations to Rob for winning a second year running
