

Precision .22 semi-auto Competition 12 January

This was the first Club Competition event of the year. It was simple but very difficult, although Nigel made it look easy.

The course of fire was:

10 shots, using any .22 semi-auto rifle with any sights, shot standing at 25m on a PL14 target.

A score over 80 is considered good but Nigel crushed any opposition with a score of 91 that included two sevens! Just think what he could have done!

Submitted scores were

Name	Score
Nigel W	91
Tim M	82
Rob F	81
Keith M	77
Tim T	66
