BOWLING PIN SHOOT

3 August

Tim was first to shoot and set the standard for all to beat – 7.32 seconds to knock down 10 pins.

Each person had two runs, the fastest to count. Knowing what they had to beat, most went for it, but a miss meant a reload and no chance of winning.

For a change Glenn beat Joy much to her disgust. Jim went next and without a miss on his second run had a time of 8.12 and Dave failed to get a clear run (gifting Jim another pint)

While setting the pins up for Rob, Jim thought it would be fun to add an extra one. Rob never noticed and fortunately had a miss so needed a reload. It caused a few giggles but made him more determined and his second run was a scorching 5.95 seconds.

No one came near to this time although probationers Thomas and Connor had a duel between themselves.

Andrew and Andy did OK with club rifles but Jon had too many jams.

Congratulations to Rob
