THE SILHOUETTE COMPETITION

14 September

Once again plenty of targets were put out on the benches but only a few were handed in, we'll have to start twisting arms!

	Hits
Tim M	8
Nigel W	8
Paul H	7
Keith M	6
Jim S	5
Simon B	5
Shaun O'K	4

Tim and Nigel's targets were identical – the same number of clean hits and “just touching” shots so impossible to separate.

Nobody seemed to do particularly well and I suspect many targets went into the bin – good shooters have “off” days and surprising results do happen, so always submit your targets.

Congratulations to the joint winners.
