

THE WESTERN WINNER 10th May

Dave, Jim and Simon B travelled south of Bristol to the Western Winner 1500 held by Frome & D P C. It is a great club and a well run event with a friendly atmosphere so well worth the drive.

There was heavy rain forecast but it was only light showers and the guys only got a little damp.

Timed & Precision 1 SB

Jim was happy with 298/15 but the competition was fierce and it only placed him 7th.

Simon's 291/4 was way out in front and easily won B class.

Timed & Precision 1 CF

Dave was pleased with his 3rd place in X class scoring 300/21. Jim was 6th with 299/20.

Simon shot well and his 296/13 won B class by just one X.

Timed & Precision 1 Classic

Jim did better without a scope on with 300/19 to come 3rd. Dave dropped one point for 299/17 for 6th.

Timed & Precision 1 LBP

Second place for Simon here with 279.

Multi-Target SB

A steady 115 got Jim 3rd in X class, while Simon came 4th in A class with 103.

Multi-Target CF

Jim thought he was in with a chance scoring a maximum 120/15 but better shooters pushed him into 3rd.

Dave shot a Personal Best 119/19 to come 5th.

Simon came third in his class – unfortunately there was only three in it.

Multi-Target Classic

A 4th place for Dave with 115 was OK but using the same rifle Jim somehow managed to short-stroke the lever and left two rounds in the gun to come last.

Multi-Target LBP

Was not good for Simon.

1500 SB

Both Dave and Jim had been having problems with light strikes and jams so were expecting problems – and they got them!

Jim was going OK until Match 4 and had 5 on the floor. It was a pity because it would have been a PB otherwise.

Dave had even more jams and just enjoyed the practice.

1500 CF

Jim was 4th in X class with 1487, but Dave went to sleep in M2 and still had two in the gun when the targets turned away.

There were some smashing prizes to be collected and tickets were issued to those who had been placed 1st, 2nd or 3rd. Unfortunately it was not to be team Derby's lucky day in the prize draw.
