Sunday 7 December

Christmas Fun Shoot in aid of the Derbyshire, Leicestershire & Rutland Air Ambulance

There was terrific support for this worthy cause. Many Members brought along guests and in the time honored tradition got beat with their own gun – yes that's you: Simon & Jason

Bryan checks that all the targets are OK

The ever popular Carrot Nibbling event confused some, who thought one well aimed shot in the middle to start with would work... WRONG

Simon and Mick were very close but Simon just beat him by a rabbit's whisker.

The new slimmer sticks proved easier to cut with fewer shots and Chris set the standard early on with 23.20 secs. Jason was a close second.

The Mini McQueen was popular too and scores were very close at the top, But Peter K (an expert at sitting down shooting) was two points in front with an excellent score of 56/60.

The Speed Shoot was slightly different this year. It was pure speed – One minute allowed and unlimited rounds and magazines. There was a Start plate to be smashed (a clay pigeon) then engage the 35 targets in any order.

The first couple of shooters messed up but then a technique soon became apparent and the number of targets hit increased. There was a tie for first place between Jim and Chris T who both cleared the large targets and started on the 1" mini clays. Rob F was disgruntled when Jim only allowed him half a point for clipping a mini clay. Rob S who went first was allowed another go for an aggregate time and improved considerably.

It seemed everyone enjoyed the morning and many thanks to the Range Officers for running the events and everyone who helped set up and dismantle the equipment. Thanks also to Linsey who thoughtfully brought along chocolates for everyone.

Well done to the winners and a Bib Big thank you for the donations which the Club will match and a

cheque in the region of **£730** will be sent to the Air Ambulance Charity which was nominated at the funeral of Peter Breheny who died earlier this year.
