# SLG Bisley and Mattersey Events

September 27<sup>th</sup> & 28<sup>th</sup>

The weekend saw two events 300 miles apart. Jim and Dave were at Bisley anyway that weekend so shot the SLG match on the Saturday while Simon Bold and Bob Peace shot the Mattersey Bianchi match on the Sunday.

No photos or in detail reports, but Team Derby managed to get a few good results and it would be a shame not to acknowledge the shooters successes.

## MATTERSEY

In the Bianchi match for Long Barreled Pistols Bob came first in A class with 1816

Simon won Timed & Precision 1 small-bore A class with 291 and in Multi-Target came 3<sup>rd</sup>.

In Multi-target LBP Simon won B class.

## SLG Bisley

In X class Jim won Timed & Precision 1 centre-fire with 300/27, a personal best in a competition. Dave dropped a point and came 6<sup>th</sup>.

Jim shot the T&P3 match with his LBR but two misses placed him 4<sup>th</sup>.

Jim won Multi-Target small-bore with 113 (everyone shot this badly)

Multi-target centre-fire.

Jim was placed 2<sup>nd</sup> with 118 and Dave was 8<sup>th</sup> on 114

Well done to the winners
