2015

# .22 RIMFIRE BENCH REST COMPETITION

This was the final competition for 2015. It's shot all year with the best card being submitted.

As there were only three cards submitted a shoulder to shoulder shoot was held on Sunday 24 to get a few more scores. This was shot at 1200 hours to avoid the hustle and bustle of the Club Session.

25 Shots at the UKBR target with unlimited sighters using any .22 rifle and any scope plus rests front and rear. Plus you can sit down to shoot! How easy can that be?

Try the comp in the next year, you don't need an expensive rifle anything will do.
