# BLACK POWDER RIFLE COMPETITION

8 November

It was a disappointing turn out with only three shooters on the line, as Nigel had shot his the week before knowing he would be absent. Bryan was fed up as he has broken his while practicing.

Jim had forgotten where his sights were set and the first two shots were in the white at 12 o'clock.

Steve was very pleased with his very tidy group. But Rupert took the title when he punched the middle out of the target. Nothing worse than a nine! Very good shooting.

The scores were

Rupert B	98
Steve F	95
Jim S	92
Nigel W	85

Congratulations to Rupert
