BLACK POWDER PISTOL COMPETITION

Sunday 8 March

The weekend before the BP Pistol competition was held saw a lot of people shooting BP pistol, which we assumed was in practice for the competition. However on the day only four shooters took part, maybe it was the damp and rain that put them off!

The scores were:

Nigel W	86
Frank U	85
Bryan H	75
Steve J	39

A very close result – congratulations to Nigel

A Timed and Precision 1 was supposed to be run afterwards at 1200 hours but two dropped out (Too wet?), leaving Bryan and Frank to shoot it out. Sadly Frank's pistol gave up the ghost during the first practice leaving Bryan a Bye to win without completing the course of fire.

Maybe we need to run it again when the weather is dry!
