## MULTI TARGET COMPETITION

12 June

There were thirteen competitors shooting five different competitions between them - Smallbore, Centrefire, Centrefire Classic, Long Barrel Pistol and Long Barrel revolver.

The Classic was a late addition, put in because Jim wanted to take yet another pint of beer from Dave for his Christmas stock.

The weather was a bit overcast for the first two details.

After that we all got wet. I had an umbrella with me but the Range Officer (Tim) wouldn't hold it over me while I shot, which was a bit mean I thought. Shame about the weather, let's hope it's better for next week's Range Crew shoot.

Siobhan shot this competition for the first time under Dave's instruction and did very well, as did some other newer competitors; probationary member, Jim Starley winning his first Club competition. Although Phil and Dave had their share of woe leaving rounds in the gun, and Jim's "Jack Douglas moment" resulted in a "2"
