McQueen Centre-fire Competition

20 August

This competition was shot on the 200 point on C Range. The weather was good, a slight breeze but at least it was dry.

Sixteen members shot the event which was two sighters and then ten rounds at the target. Using the standard McQueen target with exposures of three seconds each with seven seconds away.

Our thanks go to Martin A for standing alone by the tunnel for nearly two hours on the end of the radio operating the target timer, at least he got a chance to shoot at the end.

Congratulations to the winner.

Gavin H	0	39	1
Tim T	0	39	1
Keith M	1	38	1
Simon B	0	21	1
John J	0	11	1

Gavin H and John J decided to be different and shot it with .22 rimfire rifles, everyone else stayed with convention and used something a bit more powerful!

Phil G beat Tim T with his own rifle to continue that tradition.
