Muzzle Loading Pistol Precision Competition

April

This competition was run over three Club sessions to give ample opportunity for the competition to be shot.

I'm tempted to say it involved things that were dirty smelly and smokey (and that's just the shooters) but I will refrain.

The competition is thirteen shots on the largest target in the Club cupboard with the highest ten to count.

Nigel doesn't appear to have sorted a load for his new revolver yet as he didn't shoot, and Dan wanted to keep going until he had thirteen scoring shots.

It was a close run shoot between Frank and Bryan with congratulations to Frank for his win.

Results

Frank U	81
Bryan H	76
Steve J	50
Erhard V	49
Dan J	27

Keith M

Deputy Unpaid Under Assistant Competition Officer
