MUZZLE LOADING RIFLE COMPETITION

3 December

There were only a few entries but this was more than compensated for by the very close result.

Just three members handed shot targets in, although there were two other members messing about with their BP rifles?

The top two had the same score and the same number of X's so the winner was decided by counting the eleventh shot to break the tie.

	score	X count
Bryan H	92	2
Rupert B	92	2
Nigel W	88	0

Congratulations to Bryan

Sorry no photos were taken so here is one from last year:

(This year's score was not as good as 2016!)
