SHOTGUN COMPETITIONS

Sunday 7 May

These were shot on B Range in brilliant sunshine, very little wind, what more could you ask for? Well shotguns that worked properly would have been good.

Tim G and Dave M had stoppages that spoil their scores and Tim M's gun was playing up so badly that he pulled out.

A pity about that as his in first practice on T&P 1 he only dropped one point. He was going to use the DUUACO's gun but declined something to do with eye relief on the scope and not wanting to go to A&E for stitches in his eye.

I think it took longer to score than to shoot the comp

Shotgun Multi Target

Name	Score	X Count
Keith Mepham	98	7
Jason Liew	89	4
James Pearson	88	1
Paul Holder	80	1
Tim Guyatt	55	0

Plenty of spectators

With a round of 12 bore slug costing around £0.70 it was a good if expensive competition, with a lot of smiley faces. Big bangs seem to give big grins.

It took far longer to run than anticipated, our apologies to those who had hoped to use B Range.
