## SPRING ACTION WEEKEND

24/25 March

**Medals for everyone!** It was an amazing start to the season at Bisley with all seven Team Derby members collecting at least one medal and Jim St setting a new British Record.

### Timed & Precision 1 SB

Phil was placed 4<sup>th</sup> in X class with 299/17 and Jim Sm 11<sup>th</sup> with 297/11.

Tim also shot a 297/11 that earned him 3<sup>rd</sup> place.

### Timed & Precision 1 CF

Jim Sm 300/20 was only good enough for 9<sup>th</sup> in X class. Phil shot 299 and Dave 298.

Jim St beat the others with 300/22 to win A class and dodges being promoted by one X.

### Timed & Precision 1 Classic

Jim St improved on his score using iron sights to win with 300/23. Jim Sm was 3<sup>rd</sup> scoring 300/16, Dave 7<sup>th</sup>.

### Timed & Precision 1 LBP

Adrian did well shooting a 296 for 2<sup>nd</sup> place.

### Timed & Precision 1 LBR

Jim Sm was disappointed with his 25m and only came 4<sup>th</sup>. Tim had a disaster...

### Timed & Precision 3 LBP

In a very close competition Tim came out top to win

### Timed & Precision 3 LBR

Jim Sm was annoyed with having two rounds in the gun in stage 1 as everything else went well and he finished 4<sup>th</sup>, two points off winning. Tim was 9<sup>th</sup>

### Multi-Target SB

Everyone was poor. Jim Sm being highest score on 110.

### Multi-Target CF

Better here, in X class Jim Sm was 4<sup>th</sup> with 118/15, Phil 5<sup>th</sup> on 117, Dave cut his target in half for 14<sup>th</sup>.

In A class Jim St won with 118/17 (just few enough X's not to get promoted – a pattern developing here?)

### Multi-Target Classic

Only just OK with Jim St 3<sup>rd</sup>, Jim Sm 4<sup>th</sup> and Dave 7<sup>th</sup>.

### Multi-Target LBR

Jim was 3<sup>rd</sup> in X class

### 1500 SB

Phil shot well to come 4<sup>th</sup> in X class scoring 1478.

In A class Tim was also 4<sup>th</sup> with 1467. While Jim Sm was 8<sup>th</sup> and puzzled why all his shots went right at 50m?

### 1500 CF

Even without practicing over the winter Phil managed a cracking 1495 to win X class.

Jim was pleased to shoot a reasonable 1488 for 2<sup>nd</sup> place in A class.

In B class Tim shot 1482 to be placed 2<sup>nd</sup> and Jim St was 9<sup>th</sup>.

### 1500 LBP

Adrian shot a personal best 1464 to be 2<sup>nd</sup> in A class.

### 1020 SB

Another fine win for Phil dropping just one point.

### 1020 CF

Jim St did not drop any points and was beaten into 2<sup>nd</sup> place by someone setting a new BR. Phil lost concentration in this event and was a lowly 14<sup>th</sup>.

### 1020 Classic

Our Iron Sight specialist Jim St won setting a new British Record of 1018.

### 1020 LBP

6<sup>th</sup> place for Adrian.

### WA 48

This is a new event to the schedule, after being trialled last year it attracted a big entry. Based on a handgun event it is open to LBP's and LBR's, and involves shooting quite quickly!

#### LBP.

Dropping just two points Adrian was 3<sup>rd</sup> with 478.

#### LBR

Jim Sm was 2<sup>nd</sup> just one point off winning.

### Advancing Target SB

Phil was the only one to try this and was 5<sup>th</sup> but a long way off the winners.

### Advancing Target CF

In X class Jim Sm and Dave were poor. Dave was 5<sup>th</sup> and Jim way down after a jam left two in his gun.

A Class was won by Jim St with a perfect 180 (and promotion to X class) Phil was 4<sup>th</sup> on 178.

### Advancing Target Classic

This was an event Dave shot early on while he was fresh (It all went downhill afterwards) He won scoring 178.

Jim St was 2<sup>nd</sup> with 175 and Jim Sm 5<sup>th</sup>.

### Advancing Target LBP

Adrian shot well scoring 175 for 3<sup>rd</sup> place.

### Advancing Target LBR

Newly promoted into X class Jim Sm was last!

### Practical Pistol

Adrian in full flow

This is held on Sunday only and takes a long time to complete but Tim enjoys it so much he stays there all day! He was 15<sup>th</sup> in LBP and 10<sup>th</sup> in LBR.

Adrian entered LBP Iron Sights and was 13<sup>th</sup>.

I need more speed loaders

### Any Rifle 200yards

Jim Sm came 2<sup>nd</sup> even with a jam! (not another!)

Peter was 9<sup>th</sup>. Tim withdrew part way through with ammo problems.

### CSR 200yards

Dave has been the instigator for introducing this new class because he has a CSR rifle, and he came last.

### McQueen FB

Peter returned to form and shot two 50/7 scores to win. Dave 13<sup>th</sup> Jim 16<sup>th</sup>.

### Summary

The results speak for themselves with everyone winning at least one medal. Congratulations to Jim St on setting a new British Record.

Well done to Martin for going to work as a RO, these events could not be held without them.

There are so many competitions to shoot it is impossible to enter everything but do try and get to one this year.
