

DERBY RIFLE AND PISTOL CLUB 1999 INSURANCE

Members need to be aware that the present insurance in place for DRPC1999 is a liability insurance that protects the club against any third party claims for up to £10 million and also insures club equipment for damage or theft.

It will protect members whilst they are shooting at the club in any competitions sanctioned by the club on club premises.

It does not cover equipment that is lost or damaged and does not cover members who travel to shoot at outside competitions.

Club members who wish to be covered for personal injury and their equipment covered for damage or loss need to make their own arrangements. The NSRA, NRA or MLAGB offer very good policies.
